Application reviewed by: _____ - _____ Date: _____

Date received: _____ Packet complete? _____ Medical forms complete? _____

Accepted for interview/pretest? _____ Date applicant notified _____ Test score _____

IMPORTANT NOTICE TO THE APPLICANT

Your application packet will not be considered unless all of the above listed documents are completed and attached. There will be no exception to this requirement. You will not be accepted to interview or admitted to pretesting. If you are accepted to interview, you will be notified by letter and expected to sit for the pretest. Applicants accepted to the course will be notified by mail. Student load is limited and applicants to fill the seats are based upon complete documentation and application, timely response, pretest scores, and favorable interview. If you are selected as a class candidate but not selected for an initial seat, you will be placed on a waiting list. If initial selected students do not fill their commitment, selection to fill the class will be made from the waiting list. If selected candidates do not receive a seat, those applications will be marked for first consideration for the next scheduled paramedic course. The cost of the course is estimated to be \$800 plus books and lab supplies. Applications received after December 15, 2010 may not be considered for this program. Interviews will be held, along with pre-testing of knowledge and skills in December 2010.
