

### **Bus and Group Policy, Effective January 1, 2012**

*Applicable for groups greater than ten people*

For groups greater than ten people, we ask that you make reservations by calling the winery at 716-326-2191 (or 800-Drink-NY) or by emailing Mary Williams at [retail@johnsonwinery.com](mailto:retail@johnsonwinery.com).

1. Reservations are requested so that:
  - a. We don't have more than one large group at the winery at the same time.
  - b. And, we can set up a separate bar and a wine tasting expressly for your group.
  
2. Fees for groups are \$3 per person and may be paid by:
  - a. Phone with a credit card when you make the reservation.
  - b. Or, in an unusual, same-day reservation, payment for the entire group may be made upon arrival at the winery.
  
3. For the \$3 per person fee,
  - a. The group will receive a pre-set wine tasting of six wines geared to your preference (white vs. red and sweet vs. dry).
  - b. Each participant will receive three \$1 coupons valid for purchasing wine in the winery. These coupons are valid for a period of one year and may not be combined – that is one coupon per bottle purchased with a maximum redemption of three coupons per person per visit. The coupons are transferrable for subsequent visits. These coupons may not be combined with other case discounts.
