

REGISTRATION INSTRUCTIONS FOR ACCEPTED NON-UNH STUDENTS
attending the Shoals Marine Laboratory on Appledore Island, Maine.

Once accepted into an SML credit course, all non-UNH students will be registered at **Cornell University; this includes matriculating Cornell students, high school students, grad students and any non-traditional students seeking credit.** With the exception of ARKEO 3002 and ARKEO 3003, all SML courses will appear as “BIOSM” courses on your official Cornell transcript (see separate sheet for transcript details). Consult the SML web site for all [Cornell course numbers](#) (BIOSM, etc.).

HOW do I register for my course(s)?

All accepted students are required to CONFIRM their acceptance into SML programs. Follow these instructions to REGISTER at Cornell, and CONFIRM your acceptance:

(1) **COMPLETE** the attached Cornell enrollment form!

On this form, be sure to include a mailing address that will be valid for the next 6 months! This address will be used by Cornell to send written notifications (see Payment Instructions).

(2) **SEND THE COMPLETED FORM within 10 business days** of receiving your SML Acceptance Packet to: Shoals Marine Laboratory, G-14 Stimson Hall, Cornell University Ithaca, NY 14853

Once your enrollment form is received by SML, you will be considered registered!

(3) **PAY** your non-refundable deposit (\$1,000) as a check payable to Cornell University **(see below – PLEASE follow mailing instructions!)** **within 10 business days** of receiving your SML Acceptance Packet (sorry, no credit card payments will be accepted).

YES, your non-refundable deposit will count toward the balance of your course fees!

QUESTIONS or NEED HELP?

Contact Admissions: shoals-lab@cornell.edu OR (607) 255-3717

Detach, include with your non-refundable deposit and mail to:
Shoals Marine Laboratory, P.O. Box 303, Ithaca, NY 14851
